Cheating: An Insider's Report on the Use of Race in Admissions in UCLA hit the streets in May of 2014, joining Tim's previous expose, Left Turn, How Liberal Media Bias Distorts The American Mind, on the bookshelves. Both books are well-researched, scholarly (yet lively!) looks at how bias affects our world. And it's not in the ways you'd think. Below, you'll find interviews, articles, and other … more...
